

JAZZAMATAZZ FOR KIDS with Dianne Lyle

WINTER-SPRING '19

Students will move, play and stretch, using kid-friendly music, games and props. They will gain coordination, motor skills, control, strength, and basic dance techniques. Dancers will also gain social and emotional skills, and confidence. Participants must be toilet-trained and feel comfortable participating in a group activity without parental attendance or supervision.

Class level placement is based on age and maturity level. Classes have minimum and maximum enrollment requirements.

Class attire is dance wear or fitted active wear, with black jazz shoes worn with socks. Clothing should be simple and practical. Dancers should be dressed comfortably enough for a very physical class. Dancers should be unrestricted for free play; to be on the floor, leaping, tumbling, and moving without being distracted or hampered by clothing. Tutus, dresses, costumes, ballet/gymnastic/street shoes, bare feet, loose or distracting jewelry or elaborate hair accessories are inappropriate for our JAZZAMATAZZ classes. See our website for attire recommendations and details.

Dancers should bring a labeled water bottle filled with ample water to their classes, as there is no water fountain available in Chautauqua Hall. Active dancers will get quite thirsty, during classes.

Our 2019 Spring Dance Concert is planned for May 19, at 2:00pm, at the Pacific Grove Middle School.
